OFFICE OF THE
DIRECTOR OF PUBLIC HEALTH
IN MYSORE

Bangalore, dated 7th September 1943.

To

The Chief Secretary to
Government of Mysore, Bangalore.

SIR,

Water Supply to the military camp stationed at Bethamangala.

With reference to your letter No.W.238 dated 10th August 1943 intimating that no action is called for at present as the military authorities have not so far asked for increased supply, I have the honor to state that the C.R.E., 105 L of C Area (West) c/o No.11 Ind.Adv Base P.O. in his letter No.40281/340/E-4, dated 12th July 1943 addressed to this office requested for a review of the decision to supply 25,000 gallons and to supply 50,000 gallons per day instead, as the quantity now allowed is not sufficient for the troops stationed at Bethamangala. A copy of the letter is enclosed herewith for the information of Government. I may add that in reply to the above letter the C.R.E has been informed in this office letter No.C.50-13 dated 27th July 1943 that Government have been addressed in the matter of the supply of 50,000 gallons of water per day and that their orders are awaited.

Under the circumstances, I request you to be so good as to obtain and convey orders of Government in the matter of the supply of 50,000 gallons of water per day to the Military for the present, the supply being reduced to 25,000 gallons per day at the discretion of the Sanitary Engineer if the situation at Bethamangala warrants, after giving ten days' prior notice to the local military authorities at Bethamangala.

I have the honour to be,
Sir,
Your most obedient servant,
W.G. Macmillan
Director of Public Health.

GOVT. OF MYSORE

Letter No. 40281/340/E-4 dated 12th July 1943 from C.R.E., 105 L of C Area (West), c/o No.11 Ind.Adv.Base P.O., to the Director of Public Health in Mysore, Bangalore.

WATER SUPPLY TO MILITARY CAMP - BETHAMANGALA.

Ref:- Sanitary Engineer letter No.4204 dated 27-5-43.

Action has already been taken to rectify the defects mentioned in the above letter.

It is noted from the above letter that only 25,000 gallons of water

water is allowed for the military use, and it has been found that the quantity allowed is not sufficient for the troops stationed at Pethamangala.

In the circumstances it is requested to review the decision and supply upto 50,000 gallons per day.

An early decision is requested.

Water Works to the mily Camp

Nalanda at Bettamugala

Sir,

With reference to the correspondence ending with your letter No C-50-26 dated 8th Sept. 43 regarding orders of Govt in the matter of the supply of 50000 gallons of water per day to the military for the present, the supply being reduced to 25000 gallons per day at the discretion of the Sanitary Engineer if the Nalanda Bettamugala Warrants, after giving 14 days prior Notice to the Local military authorities at Bettamugala I am directed to state that the

increased supplies may be given subject to
the considerations mentioned in your letter
if the military authorities remain firm
in the matter and if the supplies can be
made without prejudice to civilian
requirements. Taking into account
the shortage of water in the bank.

Yours
sincerely
J Lucas
